DURUM WHEAT SEMOLINA

Zar Industrial and Research Development Group is currently composed of Zar Macaron Co., Zar Flour Co., Noushin Saz Co., Zar Semolina Co., Zarnam Co., Zar Tarabar Nationwide Transportation Co., Zar Center of Applied Science and Technology, and Zarnam Center of Knowledge-based Research. Zar Industrial and Research Development Group is the largest producer of semolina flour and different types of pasta with semolina on a national scale. Zar Flour Co. was established in 1993 and was launched into operation in 1998. This was the maiden step towards the birth and emergence of one of the largest, paramount industrial groups in the field of wheat-based food industries. In line with the policies of the group's manager, invariably underscoring the observation of consumers' rights through producing the highest-quality products, in 2002 and for the first time in the country, foundation of a flour production line was programmed. In a matter of less than a year, and through domestic experts' endeavors, the line was officially launched in Zar Industrial and Research Development Group. Zar Macaron, affiliated with Zar Industrial and Research Development Group, is considered the largest producer of different types of pasta with semolina flour. Presently, Zar Macaron owns the highest share of domestic market as a result of producing premium-quality products and laying particular attention on research and presentation of exemplary managerial and executive patterns. Likewise, Zar is among the most renowned brands, internationally, through effective entrance and penetration in global markets. Zar Macaron Industrial Corporation has been recognized as the Supreme National Exporter in 2008, 2009, 2010, 2011, 2012, 2013 and 2014 as a corollary of export-oriented production, market recognition, fundamental measures in the domain of export and production of new age pasta in Iran. This is while Zar Macaron has been the exclusive holder of this title, to date.

Honors: Zar Macaron has attained numerous national and international certificates, namely: ISO 18001, HACCP, ISO 9001, ISO 14001, iTQi, IMS, FDA, HALAL, ISO 22000, Supreme National Exporter for seven consecutive years, Exemplary Quality Unit at a national level (National Standard) in 2008, 2010, 2012, Best Taste Awards in 2011, 2012, 2013, 2014 from the International Taste and Quality Institution (iTQi) Belgium, Exemplary Unit of R&D in 2011, four exclusive Healthy Apple Awards in producing different types of pasta with semolina and ultra-useful flour, Organizational Efficiency and Eminence National Award (EFQM) in 2009 and 2010, Iran's National Quality Award (INQA) in 2009 and 2010, Iran's National Food and Drug Quality Award (INFDQA) in 2009 and 2010, EFQM Recognized for Excellence (two-star) Commendation in 2012, Protection of Consumer's Rights Certificate for seven consecutive years, and dozens of other invaluable signs, awards, certificates and honors.
